

30 Days of Creative Business Journal Prompts

Day 1: What do you want out of your creative business?

Day 2: Who do you want to serve?

Day 3: What platforms will you use to reach them?

Day 4: Are you blogging as often as you want to?

Day 5: What are your favorite topics to blog about?

Day 6: Are these the same topics that your readers respond to the most?

Day 7: What is the next product/offering that you want to release?

Day 8: List out all of the steps you need to get from today to launch day.

Day 9: Did writing out the steps to your launch day help you? Or did you feel overwhelmed?

Day 10: How can you best serve your tribe today?

Day 11: What is your primary struggle in accomplishing your creative business goals?

Day 12: Imagine for a moment that you are _____ (fill in the blank with a successful creative entrepreneur you admire), how would he/she handle the struggle you wrote about yesterday?

Day 13: How would you most like to be remembered professionally?

Day 14: What impact do you want make on your microcosm of entrepreneurship?

Day 15: If you could do anything you wanted to do today, what would it be?

Day 16: How does your answer yesterday align with your creative business? Does it make you reconsider anything?

Day 17: Sketch out a week's worth of content for your audience. Think about how you can empower your reader at the same time as sharing how you can help.

Day 18: How does your family feel about your creative business?

Day 19: Does their support or lack of support affect your confidence?

Day 20: How important is it to you that others buy into your vision?

Day 21: Do you feel pressure from others to pursue a more conventional line of work?

Day 22: How can your struggles help your audience?

Day 23: Does your website look the way you want it to?

Day 24: List 10 things you want to improve in your business.

Day 25: Pick 3 things from yesterday's list. Write or sketch out the new and improved version.

Day 26: Who is your biggest fan?

Day 27: Do you offer the same support to them that they give to you?

Day 28: The fastest way to become successful is to be consistent. List 3 non-negotiable, must-do daily actions that will move you closer to your potential.

Day 29: Reverse engineering is the secret sauce that successful creatives use all the time. It's how I learned to write books, code websites and design my own shit when I had way more time than \$\$ to invest in my business. Choose a skill or asset that you really want to add to your creative business. Find someone who has done it well and try to break down what they did in your entry today.

Day 30: Write about what you've learned on your 30 day journaling journey. Now, turn it into a blog post or a social media post to share with YOUR audience.

Blessed Be,
Shannon
